Achilles Last Stand  
(Page/Plant)

It was an April morning when they told us we should go  
As I turn to you, you smiled at me  
How could we say no?

With all the fun to have, to live the dreams we always  
had  
Oh, the songs to sing, when we at last return again

Sending off a glancing kiss, to those who claim they  
know  
Below the streets that steam and hiss,  
The devil's in his hole

Oh to sail away, To sandy lands and other days  
Oh to touch the dream, Hides inside and never seen.

Into the sun the south the north, at last the birds have  
flown  
The shackles of commitment fell, In pieces on the  
ground

Oh to ride the wind, To tread the air above the din  
Oh to laugh aloud, Dancing as we fought the crowd

To seek the man whose pointing hand, The giant step  
unfolds  
With guidance from the curving path, That churns up  
into stone

If one bell should ring, in celebration for a king  
So fast the heart should beat, As proud the head with  
heavy feet.

Days went by when you and I, bathed in eternal  
summers glow  
As far away and distant, Our mutual child did grow

Oh the sweet refrain, Soothes the soul and calms the  
pain

Oh Albion remains, sleeping now to rise again

Wandering & wandering, What place to rest the search  
The mighty arms of Atlas, Hold the heavens from the  
earth

The mighty arms of Atlas, Hold the heavens from the  
earth  
From the earth...

I know the way, know the way, know the way, know the  
way (X2)

Oh the mighty arms of Atlas, Hold the heavens from  
the earth.
