Only yesterday  
They told me you were gone  
All these normal people  
Will I find another one?

Monkey on my back  
Aching in my bones  
I forgot you said,  
"One day you'll walk alone."

I said I need you  
Does that make me wrong?  
Am I a weak man?  
Are you feeling strong?

My heart was blackened  
It's bloody red  
A hole in my heart  
A hole in my head

Who will help me up?  
Where's the helping hand?  
Will you turn on me?  
Is this my final stand?

In a dream I cannot see  
Tangled abstract fallacy  
Random turmoil builds in me  
I'm addicted to chaos

Light shined on my path  
Turn bad days into good  
Turn breakdowns into blocks  
I smashed 'em cause I could

My brain was labored  
My head would spin  
Don't let me down  
Don't give up, don't give in

The rain comes down  
Cold wind blows

The plans we made  
Are back up on the road

Turn up my collar  
Welcome the unknown  
Remember that you said  
"One day you'll walk alone"

Who will help me up?  
Where's the helping hand?  
Will you turn on me?  
Is this my final stand?

Oh, oh, oh, oh, oh, oh!

In a dream I cannot see  
Tangled abstract fallacy  
Random turmoil builds in me  
I'm addicted to chaos, ha!

(Solo)

Who will help me up?  
Where's the helping hand?  
Will you turn on me?  
Is this my final stand?  
Stand!

In a dream I cannot see (In a dream I cannot see)  
Tangled abstract fallacy (Tangled abstract fallacy)  
Random turmoil builds in me (Random turmoil builds in me)  
Oh!  
Builds, builds, builds

In a dream I cannot see (In a dream I cannot see)  
Tangled abstract fallacy (Tangled abstract fallacy)  
Random turmoil builds in me (Random turmoil builds in me)

I'm addicted to  
I'm addicted to chaos

Addicted, addicted  
To chaos  
Chaos

Addicted to chaos  
Chaos...
