Born from the dark,
In the black cloak of night
To envelop it's prey below
Deliver to the light

To eliminate your enemy
Hit them in their sleep
And when all is won and lost
The spoils of wars are yours to keep, ow!

Great nations built from the bones of the dead
With mud and straw, blood and sweat
You know your worth when your enemies
Praise your architecture of aggression

Lead-Marty

Praise your architecture of aggression

Ensuing power vacuum
A toppled leader dies
His body fuels the power fire
And the flames rise to the sky

One side of his face, a kiss
The other genocide
Time to pay with your ass
A worldwide suicide

Great nations built from the bones of the dead
With mud and straw, blood and sweat
You know your worth when your enemies
Praise your architecture of aggression

(Bridge)

Solo-Marty

To envelop it's prey below
Deliver to the light

To eliminate your enemy
Hit them in their sleep
And when all is won and lost
The spoils of war are yours to keep

Great nations built from the bones of the dead
With mud and straw, blood and sweat
You know your worth when your enemies
Praise your architecture of aggression

With mud and straw, blood and sweat
