(Dave Mustaine/David Ellefson/Nick Menza/Marty Friedman)

Madness comes and madness goes
An insane place with insane moves
Battles without for barriers within
Where evil lives and evil rules
Breaking them up, just breaking them in
Quickest way out, quickest relief wins
Never disclose, never betray
Cease to speak or cease to breathe
AND when you kill a man you're a murderer
Kill many and you're a conqueror
Kill them all...ooh...oh you're a god!
Ladies and gentlemen of the jury
Have you reached a verdict?
Yes, we have, Your Honour, we find the defendant
guilty!
On all counts for crimes against all humanity
By virtue of the jury's decision and the power
Vested in me by the state I hereby sentence you to be

Incarcerated with no possibility of parole for life
Life!

Whadda ya mean life?

I ain't got a life

Boy!

Your soul better belong to Jesus!

Hmmm-mmmm cause your ass belongs to me!

CHORUS

Captive honour ain't no honour

No time for questions

No time for games

Start kicking ass

And taking down the names

A long shit list

A shorter fuse

He is untouchable

And guarantees you'll lose

CHORUS

Inside the bigouse

His nightmare unfolds

Before he got there

His manpussy was sold
Black blanket welcome
This tough guy's now a bitch
Praying for death
It can't be worse than this
CHORUS
