Bestow upon me magic  
Wizard-all knowing all wise  
I want to rule this kingdom  
Make sweet the breeze not once defiled  
Dethrone the evil prince's iron fists  
In velvet gloves of sin  
Parade the grey robed monks  
The vestal virgins, wheel the wyvern's in  
Let the ceremony  
Consecrate the marriage  
Let me be the protege  
Of five magics  
Give me alchemy  
Give me sorcery  
Give me wizardry  
Thermatology  
Electricity  
Master all of these  
Magic if you please  
Bring him to his knees  
I master five magics  
I master five magics  
I master five magics  
I master five magics

Possessed with hellish torment (possesed with hellish  
torment)  
I master magics five (I master magics five)  
Hunting the abyss lord (hunting the abyss lord)  
Only one will stay alive (only one will stay alive)  
He who lives by the sword (he who lives by the sword)  
Will surely also die (will surely also die)  
He who lives in sin (he who lives in sin)  
Will surely live the lie.
