Cockroach in the concrete  
Courthouse tan and beady eyes  
A slouch with fallen arches  
Purging truths into great lies

The little man with a big eraser  
Changing history  
Procedures that he's programmed to  
And all he hears and sees

Altering the facts and figures  
Events and every issue  
Make a person disappear  
No one will ever miss you

Rewrites every story  
Every poem that ever was  
Eliminates incompetence  
And those who break the laws

Follow the instructions of  
The New Ways Evil Book of Rules  
Replacing rights and wrongs and files  
And records in the schools

You say you've got the answers  
Well, who asked you anyway?

Ever think maybe  
It was meant to be this way?

Don't try to fool us  
We know the worst is yet to come

I believe my kingdom will come

(1st solo)

F is for fighting  
R is for red  
Ancestors' blood in battle they've shed.  
E, we elect them

E, we eject them  
In the land of the free, and the home of the brave  
D, for your dying  
O, your overture  
M, they'll cover your grave with manure

This spells out freedom, it means nothing to me  
As long as there's a P.M.R.C.

(2nd solo)

F is for fighting  
R is for red  
Ancestors' blood in battle they've shed  
E we elect them  
E we eject them  
In the land of the free and the home of the brave  
D for your dying  
O your overture  
M is for money  
You know what that cures

This spells out freedom, it means nothing to me  
As long as there's a P.M.R.C.

F is for fighting,

Ancestors' blood in battle they've shed.

As long as there's a P.M.R.C.

Put your hand  
Right up my shirt  
Pull the strings  
That make me work

Jaws will part  
Words fall out  
Like a fish  
With hook in mouth

Rewrites every story  
Every poem that ever was  
Eliminates incompetence

And those who break the laws

Follow the instructions of  
The New Ways Evil Book of Rules  
Replacing rights with wrongs,  
The files and records in the schools

I'm not a fish  
I'm a man...

HOOK... IN... MOUTH!
