I heard the voice of redemption
For me there is no exemption
Well I started praying

I heard the voice of satisfaction
Needing me for benefaction
Well I started pleading

I heard the bells begin to chime
Warning me ohh
Don't let this be my time
Don't let this be my time

I'll be there for you when you walk through the fire
I'll be there for you when the flames get higher
When nothing fits and nothing seems right
Till the very last breath of my life, I'll be there for you
I'll be there

You saw me slide, you saw me fall
We kept our pride through it all
We started screaming

When skies are dark, no sun shines through
I know I see the light in you
We stopped dreaming and started believing

Ohh I'll be there for you when you walk through the fire
I'll be there for you when the flames get higher
When nothing fits and nothing seems right
Till the very last breath of my life, I'll be there for you
I'll be there
(Hey aey aey aey)

In my hour of need you were there always
Now it's time for me to be there for you too
Always, always

I'll be there
I'll be there for you
I'll be there
I'll be there

You saw me slide, you saw me fall
We kept our pride through it all
When skies are dark, no sun shines through
Well I'll be there

I'll be there for you
Ohh ohh
I'll be there
I see the light in you
