In my hours of need, no, you're not there
And though I reached out for you wouldn't lend a hand
Through the darkest hour grace did not shine on me
Feels so cold, very cold, no one cares for me

Did you ever think I get lonely?
Did you ever think that I needed love?
Did you ever think to stop thinking?
You're the only one that I'm thinking of

You'll never know how hard I tried
To find my space and satisfy you too
Things will be better when I'm dead and gone
Don't try to understand, knowing you I'm probably
wrong

But, oh, how I lived my life for you
Still you'd turn away, now as I die for you
My flesh still crawls as I breathe your name
All these years I thought I was wrong now I know it was
you
Raise your head, raise your face, your eyes
Tell me who you think you are?

I walk, I walk alone into the promised land
There's a better place for me but it's far, far away
Everlasting life for me in a perfect world
But I gotta die first, please, God send me on my way

Time has a way of taking time
Loneliness is not only felt by fools
Alone I call to ease the pain
Yearning to be held by you

Alone, so alone, I'm lost
Consumed by the pain
The pain, the pain, the pain
Won't you hold me again?

You just laughed, ha, ha, bitch
My whole life is work built on the past
The time has come when all things shall pass

This good thing passed away
