I am a sniper
Always hit the mark
Paid assassin
Working after dark

Looking through the night
Using infra-red
My target on you
Aimed at your head

\$10,000 upfront
\$10,000 when I'm through
And I know just what to do
And ya know I'll do it too
Then I'm coming back for you
Back for you

I do the getting rid of
Don't tell me why
Don't need to hear the truth
Don't need the lies

Now pay me quickly
And now we're through
It brings me great pleasure
To say my next job is you

Don't you know that
Killing is my business
And business is good
And business is good
You'd better believe it
