I am a sniper, always hit the mark
Paid assassin, working after dark
Looking through the night
Using infra-red my target on you
Aimed at your head
\$10,000 up front, \$10,000 when I'm through
And I know just what to do
And ya know I'll do it too
Then I'm coming back for you
Back for you!
I do the "getting rid of" don't tell me why
Don't need to hear the truth, don't need the lies
Now pay me quickly and now we're through
It brings me great pleasure to say my next job is you
Don't you know that

Killing is my business
And business is good
You'd better believe it
