"Losing My Senses"

One man, speaking the truth
No one likes when it fits
So we tell soothing lies
And betray our own lips

The uncivilized world
And its people decay
One sweet breeze is defiled
Sucking our breath away

Yesterdays answers
Has nothing to do
With todays questions

Life can only be understood
In reverse
But must be lived forwards
I'm losing my senses
I'm losing my senses

And we watch
As the living, all die
Contemplating if we should
Ever open our eyes

If all that we touch
Keeps turning to sand
We will cease to exist
Until the last living man

Yesterdays answers
Has nothing to do
With todays questions

Life can only be understood
In reverse
But must be lived forward

Life can only be understood
In reverse
But must be lived forward
I'm losing my senses

Yesterdays answers
Has nothing to do
With todays questions

Life can only be understood
In reverse
But must be lived forward

Life can only be understood
In reverse
But must be lived forwards
