Public enemy number one
Jailbreak and a smoking gun
You wont believe the things I've done
And the killing was just for fun

Public enemy number one
A storm comin, I'm on the run
Through the night to the rising sun
And the trouble has just begun

Roses on your grave
I'll be on my way
There's no time to stay
With the enemies I've made

I'm invincible
You might say despicable
Punishments reciprocal
Public enemy number one

I'm unbeatable
My minds untreatable
Punishments repeatable
Public enemy number one

Public enemy number one
Watch the authorities come undone
With every stand-ff that I've won
Flirting death is just for fun
Public enemy number one
Born a fugitive,
Fathers son
Another heist of a bank is done
And the trouble has just begun

Roses on your grave
I'll be on my way
There's no time to stay
With the enemies I've made

I'm invincible
You might say despicable

Punishments reciprocal
Public enemy number one

I'm unbeatable
My minds untreatable
Punishments repeatable
Public enemy number one

SOLO

The posters say I'm wanted
Dead or dead
Anyone who's tried
Got a bullet to the head

I'm invincible
You might say despicable
Punishments reciprocal
Public enemy number one

I'm unbeatable
My minds untreatable
Punishments repeatable
Public enemy number one
