"Rust In Peace...polaris"

Visit "[Rust In Peace...polaris](#)" on MotoLyrics.com

Tremble you weaklings, cower in fear
I am your ruler, land, sea and air
Immense in my girth, erect I stand tall
I am a nuclear murderer I am Polaris

Ready to pounce at the touch of a button
My system locked in on military gluttons
I rule on land, air and sea, pass judgement on
humanity

Winds blow from the bowels of hell
Will we give warning? Only time will tell
Satan rears his ugly head, to spit into the wind

I spread disease like a dog, discharge my payload a
mile high
Rotten egg air of death wrestles your nostrils
I spread disease like a dog, discharge my payload a
mile high
Rotten egg air of death wrestles your nostrils

Launch the Polaris, the end doesn't scare us
When will this cease? The warheads will all rust in
peace

Bomb shelters filled to the brim
Survival such a silly whim
World leaders sell missiles cheap
Your stomach turns, your flesh creeps

I rule on land, air and sea, pass judgement on
humanity
Winds blow from the bowels of hell
Will we give warning? Only time will tell

I spread disease like a dog, discharge my payload mile
high
Rotten egg air of death wrestles your nostrils
I spread disease like a dog, discharge my payload mile
high
Rotten egg air of death wrestles your nostrils

Launch the Polaris, the end doesn't scare us
When will this cease? The warheads will all rust in
peace

High priest of Holocaust, fire from the sea
Nuclear winter spreading disease
The day of final conflict all pay the price
The third world war, rapes peace, takes life

Back to the start, talk of the part
When the earth was cold as ice
Total dismay as the sun passed away
And the days where black as night

I spread disease like a dog, discharge my payload a
mile high
Rotten egg air of death wrestles your nostrils
I spread disease like a dog, discharge my payload a
mile high
Rotten egg air of death wrestles your nostrils

Launch the Polaris, the end doesn't scare us
When will this cease? The warheads will all rust in
peace

Eradication of earth's population loves Polaris
Eradication of earth's population loves Polaris

Eradication of earth's population loves Polaris
Eradication of earth's population loves Polaris
