You're such a pretty face
Radiant, I saw you across the room
I knew I had to have you
Thus started the chase
I knew I would do anything to take your hand and make
you mine

But I learned long ago
If you love someone you have to let it go
Let it go, Let it go
The hardest part of letting go is saying
Goodbye, Goodbye, Goodbye

Fettered away in a makeshift cell
Beneath the venomous moonlight
Why unleash my plan to watch you fail
The one I held so high

Go to sleep my love
And taste my sweet revenge upon your lips
Sealed with a kiss

(Solo - Broderick)

I return to the masquerade ball

And leave the lone figure weeping
Stone by stone immured in the wall
Forever left in safekeeping

Go to sleep my love
And taste my sweet revenge upon your lips
Sealed with a kiss

But I learned long ago
If you love someone you have to let it go
Let it go, Let it go
The hardest part of letting go is saying
Goodbye, Goodbye, Goodbye
(Goodbye)
(Let it go)
