Again we stalk the stage  
At mach speed we engage  
Feeding people's rage  
The big cat's left it's cage  
Back in the bus again  
To catch another plane  
This behavior's quite insane  
But we do it for the fame

I lost my mind, I lost all my money  
I lost my life to the killing road

I lost my mind, I lost all my money  
I lost my life to the killing road

The road will never end  
It always starts again  
Another show's around the bend  
Another long lost friend  
Oh, faceless as the snow  
There's nothing special about the road  
It's just another haul  
It's just too damn long that's all

I lost my mind, I lost all my money  
I lost my life to the killing road

I lost my mind, I lost all my money  
I lost my life to the killing road

I lost my mind, I lost all my money  
I lost my life to the killing road

I lost my mind, I lost all my money  
I lost my life to the killing road

I lost my mind, I lost all my money  
I lost my life to the killing road

I lost my mind, I lost all my money  
I lost my life to the killing road
