"... The Punishment Due"

Wage the war on organized crime
Sneak attacks, repel down the rocks
Behind the lines
Some people risk to employ me
Some people live to destroy me
Either way they die

They killed my wife, and my baby
With hopes to enslave me
First mistake... last mistake!
Paid by the alliance, to slay all the giants
Next mistake... no more mistakes!

Fill the cracks in, with judicial granite
Because I don't say it, don't mean I ain't
Thinkin' it
Next thing you know, they'll take my thoughts away
I know what I said, now I must scream of the overdose
And the lack of mercy killings
