## "Whose Life"

Ooh, you're just in time  
To get inside my head  
Ooh, the war of words  
You're underneath my skin  
You hate the way I wear my clothes  
You hate my friends and where we go  
I see you in the shadows  
You think you know what's best for me  
You hate everything you see in me  
Have you looked in a mirror?  
Hey, just whose life is this anyway?  
You tell me how to live but who asked you anyway  
Hey, just whose life is this anyway?  
Cost so much more than the price  
I ain't going pay

You only point out fault  
Anxiety attack  
You running your mouth  
You stab me in my back

You hate the way I wear my clothes  
You hate my friends and where we go  
I see you in the shadows  
You think you know what's best for me  
You hate everything you see in me  
Have you looked in a mirror?  
Hey, just whose life is this anyway?  
You tell me how to live but who asked you anyway  
Hey, just whose life is this anyway?  
Cost so much more than the price  
I ain't gonna pay

Hey, just whose life is this anyway?  
You tell me how to live but who asked you anyway  
Hey, just whose life is this anyway?  
Cost so much more than the price  
I ain't gonna pay

Hey, just whose life is this anyway?  
You tell me how to live but who asked you anyway  
Hey, just whose life is this anyway? x3
