Seems like you did not know.  
Faith couldn't blind you here.  
Darkness was on the way,  
In a mad sound that I create.

Feels like this could not be.  
Love could've broke your fall.  
Darkness belonged to me,  
In a mad world that I create.

Oh.  
Hallelujah  
Hallelujah  
Hallelujah  
Hallelujah  
Oh.

Can't bleed for what you don't.  
Can't face your blindness here.  
Darkness was on your way,  
In a mad sound that I create.

Feels like this could not be.  
Can't show your heart and soul.  
Darkness was on the way,  
In a mad world that I create.

Oh.  
Hallelujah  
Hallelujah  
Hallelujah  
Hallelujah  
Oh.

Play yeah.  
You're so far away when you stand with me.  
Just let me go away.  
Won't you see for me?  
Let me go away.  
Won't you stay with me?

Seems like you did not know.

Faith couldn't blind you here.  
Darkness belonged to me,  
In this mad sound that I create.

Oh.  
Hallelujah  
Hallelujah  
Hallelujah  
Hallelujah  
Oh.
