Here in my house time is sweet
I hear the children playing in the street
Out where the hot wind blow a gentle breeze

Ahha ahha ahha ahha

I don't need time
I don't need time
No I can get by myself
I don't need time
I don't know why
The summer wind did not tell
I scramble all night
And I know that I
Will never be common will
But I can get by in the mean time by myself

Woooo!

He's a real winner
All over they say
Sleeping in a lazy afternoon
A danger to the damage they assume

Ahha ahha ahha ahha

I don't need time
I don't need time

No I can get by myself
I don't need time
I don't know why
The summer wind did not tell
I scramble on by
And I know that I
Will never be common will
But I can get by in the mean time by myself

Deal me a crippling blow
Steal me from under my clothes
A crippling blow

I don't need time
I don't need time
No I can get by myself
I don't need time
I don't know why
The summer wind did not tell
I scramble all night
And I know that I
Will never be common will
But I can get by in the mean time by myself
Lord I can get by in the mean time by myself

I can get by in the mean time by myself
