That place we all run to,  
It can come down on you,  
The expectation can be great,  
If you should ever tire,  
Or if you should require,  
A sudden simple twist of fate:  
(of fate, of fate, of fate)

Don't hide away,  
There's something to be said for pushing through,  
Weâ€™d never ride on horses that discourage you.

If you should fall upon hard times,  
If you should lose your way,  
There is a place here in this house that you can stay.

If you should find romance,  
Go on and take that chance,  
Before the strategies begin,  
(Oooooooh)

Deadlines and commitments â€“  
Every morning and in the evening,  
They can suck you in,  
Boy, don't I know it.

This offer will be standing,  
All you gotta to do is call,  
Don't be afraid to knock on the door.

If you should fall on hard times,  
If you should lose your way,  
There is a place here in this house that you can stay.

I'm not talking about deadlines and commitments.  
Iâ€™m sold out of confusion.

There is a place here in this house that you can stay.

Iâ€™ll catch you, darling.  
I'll be waiting,  
I am on your side.
