### "I Can't Stay"

The emotion it was electric  
And the stars, they all aligned  
I knew I had to make my decision  
But I never made the time  
No, I never made the time

In the dark, for a while now  
I can't stay, so far  
I can't stay much longer  
Riding my decision home

Exonerated lost his eraser  
But my forgiver found the sun  
And there are twisted days that I take comfort  
Cause I'm not the only one  
No, I'm not the only one

In the dark, for a while now  
I can't stay very far  
I can't stay much longer  
Riding my decision home

There is a majesty at my doorstep  
There is a little boy in her arms  
Now we'll parade around without game plans  
Obligation or alarm

In the dark, for a while now  
I can't stay very far  
I can't stay much longer  
Riding my decision home

In the dark, for a while now  
I can't stay so far  
I can't stay much longer  
Riding my decision home  
In the dark
