"Leave The Bourbon On The Shelf"

Shakin' like the Devil when she lets me go
Got a new place, and how it's so much better
Falling over myself, the televisions' on,
I turn it off and smile
Oh, Jennifer, you know I always tried
Before you say goodbye

Leave the bourbon on the shelf
And I'll drink it by myself
And I love you endlessly,
Darling don't you see I'm not satisfied
Until I hold you tight
Give me one more chance tonight
And I swear I'll make it right
But you ain't got time for this
And that wreckin' bell is ringin'
And I'm not satisfied
Until I hold you

Jennifer, tell me where I stand
And who's that boy holdin' your hand?
Oh, Jennifer, you know I always tried
Before you say goodbye

Leave the bourbon on the shelf
And I'll drink it by myself
And I never liked your hair or those people that you lie
with
But I'm not satisfied
Until I hold you tight
And I love you endlessly,
Darling don't you see I can't be satisfied
Until I hold you tight

Leave the bourbon on the shelf
And I'll drink it by myself
And I love you endlessly,
Darling don't you see
I'm not satisfied
