You were standing with your girlfriends in the street  
Falling back on forever, I wonder what you came to  
beâ€¦

I was new in town, the boy with the eager eyes  
I never was a quitter, oblivious to schoolgirls' lies

When I look back on those neon nights  
The leather seats, the passage rite  
I feel the heat, I see the light

Miss Atomic Bomb  
Making out, we've got the radio on  
You're gonna miss me when I'm gone  
You're gonna miss me when I'm gone

Racing shadows in the moonlight  
Through the desert on a hot night  
And for a second there we'd won  
Yeah, we were innocent and young

Cast out of the night, well you've got a foolish heart  
So you took your place but the fall from grace was the  
hardest part  
It feels just like a dagger buried deep in your back  
You run for cover but you can't escape the second  
attack  
Your soul was innocent, she kissed him and she  
painted it black  
You should have seen your little face, burnin' for love  
Holdin on' for your life

All that I wanted was a little touch,  
A little tenderness and truth, I didn't ask for much, no  
Talk about being at the wrong place at the wrong  
timeâ€¦

Miss Atomic Bomb  
Making out we've got the radio on  
You're gonna miss me when I'm gone  
You're gonna miss me when I'm gone

Racing shadows in the moonlight  
We're taking chances on a hot night  
And for a second there we'd won  
Yeah we were innocent and young

The dust cloud has settled, and my eyes are clear  
But sometimes in dreams of impact I still hear  
Miss Atomic Bomb, I'm standing here  
Sweat on my skin  
And this love that I've cradled  
Is wearing thin (Miss Atomic Bomb)  
But I'm standing here and you're too late  
Your shock-wave whisper has sealed your fate

It feels just like a dagger buried deep in your back (It's  
so cruel [?])  
You run for cover but you can't escape the second  
attack (and you turn your back, you're so)  
Your soul was innocent, she kissed him and she  
painted it black (on a losing game)  
You should have seen your little face, burning for love,  
(Miss Atomic Bomb) Holdin' on for your life

But you can't survive (All that I wanted was a little  
touch)  
When you want it all (A little tenderness and truth, I  
didn't ask for much)  
There's another side (Talk about being at the wrong  
place at the wrong time)
