"Romeo And Juliet"

[Dire Straits cover]

A lovestruck Romeo, sings the streets of serenade
Laying everybody low with a love song that he made
Find a streetlight, steps out of the shade
Says something like, "You and me, babe, how about
it?"

Juliet says, "Hey, it's Romeo, you nearly gave me a
heart attack"
He's underneath the window, she's singing
Hey, la, my boyfriend's back"
You shouldn't come around here, singing up at people
like that
Anyway what you gonna do about it?

Juliet, the dice was loaded from the start
And I bet and you exploded in my heart
And I forget, I forget the movie song
When you gonna realize, it was just that the time was
wrong, Juliet?

Come up on different streets, they both were streets of
shame
Both dirty, both mean, yes and the dream was just the
same
And I dream your dream for you and now your dream
is real
How can you look at me, as if I was just another one of
your deals?

Well, you can fall for chains of silver, you can fall for
chains of gold
You can fall for pretty strangers and the promises they
hold
You promised me everything, you promised me thick
and thin
Now you just say, "Oh, Romeo, yeah, you know
I used to have a scene with him"

Juliet, when we made love, you used to cry
You said, "I love you like the stars above, "I love you till
I die"
There's a place for us, you know the movie song
When you gonna realize, it was just that the time was
wrong, Juliet?

I can't do the talk like the talk on the TV
And I can't do a love song like the way it's meant to be
I can't do everything but I'd do anything for you
Can't do anything except be in love with you

And all I do is miss you and the way we used to be
All I do is keep the beat, the bad company
And all I do is kiss you, through the bars of a rhyme
Juliet, I'd do the stars with you any time

Juliet, when we made love, you used to cry
You said, "I love you like the stars above, I'll love you till
I die"
There's a place for us, you know the movie song
When you gonna realize, it was just that the time was
wrong, Juliet?

A lovestruck Romeo, he sings the streets of serenade
Laying everybody low with a love song that he made
Find a convenient streetlight, steps out of the shade
He says something like, "You and me, babe, how about
it?"
