Breaking my back just to know your name
Seventeen tracks and I've had it with this game
I'm breaking my back just to know your name
But heaven aint close in a place like this
Anything goes but don't blink you might miss

'Cos heaven aint close in a place like this
I said heaven aint close in a place like this
Bring it back down bring it back down tonight
Never thought I'd let a rumour ruin my moonlight

But somebody told me you had a boyfriend who looked
like a girlfriend
That I had in february of last year
Its not confidential
I've got potential

Ready lets roll onto something new
Taking its toll that I'm leaving without you
'Cos heaven aint close in a place like this
I said heaven aint close in a place like this
Bring it back down bring it back down tonight
Never thought I'd let a rumour ruin my moonlight

Well somebody told me you had a boyfriend who
looked like a girlfriend
that I had in february of last year
Its not confidential
I've got potential
A rushin a rushin around

Pace yourself from me (from me)
I said maybe baby please (please)
But I just don't know now (maybe baby)
When all I wanna do is try

But somebody told me you had a boyfriend who looked
like a girlfriend
that I had in february of last year
Its not confidential
I've got potential

A rushin a rushin around

But somebody told me you had a boyfriend who looked
like a girlfriend
that I had in february of last year
Its not confidential
I've got potential
A rushin a rushin around

Somebody told me you had a boyfriend who looked like
a girlfriend
that I had in february of last year
Its not confidential
I've got potential
A rushin a rushin around
