Far away  
The ship is taking me far away  
Far away from the memories  
Of the people who care if I live or die

Starlight  
I will be chasing the starlight  
Until the end of my life  
I don't know if it's worth it anymore

Hold you in my arms  
I just wanted to hold  
You in my arms

My life  
You electrify my life  
Let's conspire to ignite  
All the souls that would die just to feel alive

But i'll never let you go  
If you promised not to fade away  
Never fade away

Our hopes and expectations  
Black holes and revelations

Hold you in my arms  
I just wanted to hold  
You in my arms

Far away

The ship is taking me far away  
Far away from the memories  
Of the people who care if I live or die

And i'll never let you go  
If you promise not to fade away  
Never fade away

Our hopes and expectations  
Black holes and revelations

Our hopes and expectations

They say the devil's water, it ain't so sweet  
You don't have to drink right now  
But you can dip your feet  
Every once in a little while

Starlight  
I will be chasing the starlight

Our hopes and expectations  
Black holes and revelations

Hold you in my arms  
I just wanted to hold  
You in my arms  
I just wanted to hold
