

## **The Killing Moon "The Full Count"**

Visit "[The Full Count](#)" on [MotoLyrics.com](http://MotoLyrics.com)

I've been to hell  
I've learned a lesson or two  
One things for sure  
Is what you find in me I've found out in you  
Don't look so guilty at shape up clear your head  
Another moment to live for  
Another moment your dead

And the road ends tonight  
And it's not a pretty sight  
When waking up is just a waste

Another day in the world  
(And I slept through, and I love to)  
Trade it in for all it's worth  
(Will I be forgiven)  
One day we'll build up the nerve  
(And no one knows)  
But first you fall in lead with life  
We'll she'd the wind  
And die runnin'

And the sea's swallowed me  
While the weaker ones come clean  
And the liars quit their chief  
In an unbearable silence  
I'm not the hearo so please  
Take your eyes off of me  
Your traded like a disease  
Pick yourself up and leave

And the road ends tonight  
And it's not a pretty sight  
When waking up is just a waste of time

Another day in the world  
(And I slept through, and I love to)  
Trade it in for all it's worth  
(Will I be forgiven)  
One day we'll build up the nerve  
(And no one knows)  
But first you fall in lead with life

We'll she'd a wind and  
Die runnin'

Stun-douched stretched across the ground  
But even god can't watch the little ones drowned  
Regardless we'll stay  
They say it's too late  
Unwavered by shame  
With no one to blame

Another day in the world  
(And I slept through, and I love to)  
Trade it in for all it's worth  
(Will I be forgiven)  
One day we'll build up the nerve  
(And no one knows)  
But first you fall in lead with life  
We'll she'd a wind and  
Die runnin'  
But first you fall in lead with life  
We'll she'd a wind and  
Die runnin'  
But first you fall in lead with life  
We'll she'd a wind and  
Die runnin'
