Don't you leave me here  
Don't you leave me here  
Get my name stitched on your lips so you won't get  
hitched

Get back, get by  
Get a room, give me 105  
Don't lie, don't care  
Don't answer if you call me there

Don't you leave me here  
Don't you leave me here  
Get my name stitched on your lips so you won't get  
hitched.

Lay down by the road  
Black rocks and a can of holes  
Gone four, gone five  
Sweating, cussing on the mean side

Don't you leave me here  
Don't you leave me here  
Get my name stitched on your lips so you won't get  
Get my name stitched on your lips so you won't get  
Hitched

Keep, keep on your mean side  
Keep, keep on your mean side  
Keep, keep on your mean side  
Keep, keep on your mean side  
Get my name stitched on your lips so you won't get  
Hitched

Sit tight, getting by  
Got a room, got my 10-5  
Say it son, get gone  
Smiling, all like a dead-eyed dog

Don't you leave me here  
Don't you leave me here  
Get my name stitched on your lips so you won't get

Get my name stitched on your lips so you won't get  
Hitched

Get my name stitched on your lips so you won't get  
Get my name stitched on your lips so you won't get  
Hitched

Keep, keep on your mean side  
Keep, keep on your mean side  
Keep, keep on your mean side  
Keep, keep on your mean side

Keep, keep on your mean side  
Keep, keep on your mean side  
Keep, keep on your mean side  
Keep, keep on your mean side
