### "Hook & Line"

With your hook & line  
Us to blow away  
With your hook & line  
Us to blow away

With your hook & line  
Us to blow away  
With your hook & line  
Us to blow away

T-t-try your best in your heavy shape  
Keep it quiet, keep it cool  
Lipstick letters and souvenirs  
Make a mockery of your fears

With your hook & line  
Us to blow away  
With your hook & line  
Us to blow away

With your hook & line  
Us to blow away  
With your hook & line  
Us to blow away

T-t-try your best to make it matter  
Tattoo it in the clouds above you  
Mail it down with jealous bolts  
Till it goes like a feather upon it's own

With your hook & line  
Us to blow away  
With your hook & line  
Us to blow away

With your hook & line  
Us to blow away  
With your hook & line  
Us to blow away

Come and shove

In me your real love  
Whip a crack  
You won't come back

With your hook & line  
Us to blow away  
With your hook & line  
Us to blow away

With your hook & line  
Us to blow away  
With your hook & line  
Us to blow away

With your hook & line  
Us to blow away  
With your hook & line  
Us to blow away

With your hook & line  
Us to blow away  
With your hook & line  
Us to blow away
