Went to parties
Two parties ending

What if you move?
What if you hide?
There's only so much you can miss
Before we both collide

My little tornado
My little hurricano
Last day of magic
Where are you?
My little tornado
My little hurricano

Went to parties
Two parties ending

I'll be the man with the broom
If you'll be the guts of the room
And there's only so much you can hide
Before I corner you

Last day of magic
Where are you?
My little tornado
My little hurricano
Last day of magic
Coming through
The eye of the storm
And I hold on to
My little tornado
My little hurricano

I'll be the man with the broom
If you'll be the dust of the room
And there's only so much you can hide
Before I corner you

Last day of magic
Put the whole ride through

The eye of the storm
In a single room
My little tornado
My little hurricano
Cavalry come,
Cavalry go,
Cavalry leave me alone
A little serenade
My little cup of cane roar
Last day of magic
Where are you?
My little tornado
My little hurricane roar
