You're gonna have to stand
Over my dead body
Before you walk
Out that door

You charmed me with your magic
Landed low can tragic
Forevers a feather
You ain't got no more

And all the people you see
Coming by to save you
You make believe in all in your mind
Rising holy rolling
Lookin', beatin', knockin'
Ceiling
It's closer to you all the time

This ain't no wow now
They all been put down
When dead, you fled to die
Closer to the shore

This ain't no wow no more
This ain't no wow no more
This ain't no wow no more

You're gonna have to stand
Over my dead body
Before you walk
Out that door

You charmed me with your magic
Landed low can tragic
Forevers a feather
You ain't got no more

This ain't no wow now
They all been put down
When dead, you fled to die
Closer to the shore
