Shout when you wanna get off the ride
Shout when you wanna get off the ride
Shout when you wanna get off the ride
'Cause you crossed my mind, you crossed my mind
Made my blood thump Saturday night
Make my heart beat double time
Now I'm only sour cherry on the fruit stand, right
Am I the only sour cherry on the fruit stand

Shout when you wanna get off the ride
Shout when you wanna get off the ride
'Cause you crossed my mind, you crossed my mind
I'm a penny in a diamond mine
We could be movers,
We could be shakers
If we could just shake somin' outta the blue we could
get off the ride
I'm the only sour cherry on the fruit stand, right
Am I the only sour cherry on the fruit stand
Am I the only sour cherry on the fruit stand, right
Am I the only sour cherry on your fruit stand?

G-g-g-go home, go home it's over
G-g-g-go home it's over
G-g-g-go home, go home it's over over
Go go home it's over
G-g-g-go home, go home it's over
Go go home it's over
G-g-g-go home, go home it's over over
Go go home it's over
