I'm bored of cheap and cheerful  
I want expensive sadness  
Hospital bills, parole  
Open doors to madness

I want you to be crazy cause you're  
Boring baby when you're straight  
I want you to be crazy cause you're  
Stupid baby when you're sane

I'm sick of social graces  
Show your sharp tip teeth  
Loose your cool in public  
Dig the legal meet  
Cause love is just a dialogue  
You can't survive on ice cream  
You got the same needs as a dog

It's alright (it's alright)  
To be mean (to be mean)  
It's alright (it's alright)  
To be mean (to be mean)

I want you to be crazy cause you're  
Boring baby when you're straight  
I want you to be crazy cause you're  
Stupid baby when you're sane

It's alright (it's alright)  
To be mean (to be mean)  
It's alright (it's alright)  
To be mean (to be mean)  
It's alright (it's alright)  
To be mean (to be mean)  
It's alright (it's alright)  
To be mean (to be mean)

I want you to be crazy cause you're  
Boring baby when you're straight  
I want you to be crazy cause you're  
Stupid baby when you're sane

I want you to be crazy cause you're  
Boring baby when you're straight  
I want you to be crazy cause you're  
Stupid baby when you're sane
