There's a monkey on my back

Makes me talk like that

There's a monkey on my back

Makes me talk like that

There's a monkey on my back

Makes me act like that

There's a monkey on my back

Makes me talk like that

There's a monkey on my back

Makes me act like that

There's a monkey on my back

Makes me act like that

There's a monkey on my back

Makes me talk like that

There's a monkey on my back

Makes me act like that
