You and I been goin' steady now for over a year
And it was love we started feelin' never fear my dear
My love is life and I can't hide it
I'm sorry honey, but I wanna rock

I saw a real fine girl at the market place
She had a nice way of walkin' and a real fine face
A voice like a man, I don't understand
I'm sorry chickee, but it's my mistake

Well, it's my (my), my (my), my (my), my mistake
Yes, it's my (my), my (my), my (my), my mistake

Aw, rock on

[Guitar Solo]

I had to choose between school and a rock 'n roll band
I made up my mind to rock as fast as I can
I don't want no teachers or their rules
You got it right, I'm nobody's fool

But you got yourself a body like a cheshire dog
Too many people got smiles and they lie like a log
It's hard to place, 'cause I'm in space
I'm sorry honey, it was my mistake

Well, it's my, my, my, my, my, my, my mistake
It's my, my, my, my, my, my, my mistake
My, my, my, my, my, my, my mistake
My, my, my, my, my, my, my, my, my, my, ooh
My, my, my mistake
My, my, my, my, my, my, my, my...
