The first time that I saw you, you were modestly waiting
for a bus
Now you're driving around in hired limousines
And you talk so upper class.

The cost is high, but it's not the only price you
ultimately pay
Add it up, you might have got some money
But you lost me on the way

Add it up, oh
Add it up, oh
Add it up, oh
Add it up, oh

Ah, Gucci, Gucci, Gucci
Cartier, Cartier
Gucci, Gucci, Gucci

Add it up,
You multiplied and multiplied but what's it leading to?
Add it up,
The only thing subtracted is the love I had for you
So add it up, oh
Add it up, oh
Add it up, oh
Add it up, oh

Symbols of perversion and insanity
Symbols of social immorality
Symbols of economic cruelty
Symbolize all what you did to me

Ah, Gucci, Gucci, Gucci
Cartier, Cartier
Gucci, Gucci, Gucci
Cartier, Cartier

Money can't cover up the fact you're getting older
every day
And you can't disguise your sad little eyes that give

your loneliness away

Add it up, oh

Add it up, oh

Add it up, oh

(repeat)
