Opportunities are available in all walks of life in  
australia

So if youre young and if youre healthy  
Why not get a boat and come to australia

Australia, the chance of a lifetime  
Australia, you get what you work for  
Nobody has to be any better than what they want to be  
Australia, no class distinction  
Australia, no drug addiction  
Nobodys got a chip on their shoulder  
Well surf like they do in the u.s.a.  
Well fly down to sydney for our holiday  
On sunny christmas day  
Australia, australia

No one hesitates at life or beats around the bush in  
australia  
So if youre young and if youre healthy  
Why not get a boat and come to australia  
Australia sha-la-la-la sha-la-la-la  
Australia sha-la-la-la sha-la-la-la  
Everyone walks around with a perpetual smile across  
their face  
Australia sha-la-la-la sha-la-la-la  
Australia sha-la-la-la sha-la-la-la  
Everyone gets around and nobody can ever get you  
down  
Well surf like they do in the u.s.a.  
Well fly down to sydney for our holiday  
On sunny christmas day  
Australia, australia
