I don't want no Cadillac
(C-A-D-I-L-L-A-C)
The one I got I'm gonna take it back
(C-A-D-I-L-L-A-C)
Come down to my house early in the morning
(C-A-D-I-L-L-A-C)
Look at the car wouldn't give me no warning

Oh, Cadillac

Well look in the sun but it wasn't no Jack[?]
(C-A-D-I-L-L-A-C)
I think I'll take this Cadillac back
(C-A-D-I-L-L-A-C)
A pretty little American walking down the street
(C-A-D-I-L-L-A-C)
Look at the car [?]
(C-A-D-I-L-L-A-C)

Oh, Cadillac

I don't want no Cadillac
(C-A-D-I-L-L-A-C)
The one I got I'm gonna take it back
(C-A-D-I-L-L-A-C)
Come down to my house early in the morning
(C-A-D-I-L-L-A-C)
Look at the car wouldn't give me no warning

Oh, Cadillac

Oh, Cadillac
