I thought I told you... that we won't stop

I'll rock the party, that rocks your body  
Let's go...

(chorus)

I rock the party that rocks the body  
You rock the party that rocks the body  
I rock the party that rocks the body  
You rock the party that rocks the body

(verse 1) MC Lyte

So what's your status? I be the baddest  
B to hit the scene since the gangsta lean, I'm all ears  
So what you got to say, I hope you bubbling it baby  
Now bubbling it my way, let it rain  
Ain't no sword up in the game, still want you the same  
Ain't a thing changed, instead of knocking boots  
We be kicking down Gore-Tex, accept it ain't raw sex  
Roughnecks, throw your hands in the air  
Lemme hear you say, Oh Yeah  
Trust you me I blow up shop  
About to blow the roof right off of hip hop

(chorus)

(verse 2) MC Lyte

I'm scorching hot burn the roof off the jam  
Got alot but I'm cramming to understand  
How I got it like this  
See I'm gifted and blessed  
But I'm never lifted off of any kind of stress  
I stress that I'm a witness, to this jam  
Lyte the MC is who I am  
I cold rock a party in the B girl stance  
I rock on the floor make the fella's wanna dance  
Now I be the uh and it's all good  
And if you understood...  
Trust you me I blow up shop  
It ain't nuttin' but real hip hop

(chorus)

(verse 3) MC Lyte

Some say I'm shady (that's right)  
That's me, complicated rap star, meet Lyte the MC  
You see I'm on to you baby and your mechanism  
How you hit it when you're in it so hot you keep it  
fizzling  
No, ooh ah she ooo, and all of that too  
Keep me wetter than the waters of Kalamazoo  
Nigga who you come here wit?  
Where your posse at? Uh, leave your boys alone  
Tell her you won't be back, I got the cheese baby  
My cheddar's better, I got that milk, for that Amaretto  
Trust you me I blow up shop, Had a little nig' calling the  
cops  
Watch me...

(chorus) x2

I rock the party that rocks the body  
You rock the party that rocks the body

(Puff Daddy)

Upside down you turning me, turning me  
Round and round you turning me, turning me

(chorus)

(Puff Daddy)

Upside down you turning me, turning me  
Round and round you turning me, turning me  
Upside down you turning me, turning me
