Thank you for the days,
Those endless days, those sacred days you gave me.
Im thinking of the days,
I wont forget a single day, believe me.

I bless the light,
I bless the light that lights on you believe me.
And though youre gone,
Youre with me every single day, believe me.

Days Ill remember all my life,
Days when you cant see wrong from right.
You took my life,
But then I knew that very soon youd leave me,
But its all right,
Now Im not frightened of this world, believe me.

I wish today could be tomorrow,
The night is dark,
It just brings sorrow anyway.

Thank you for the days,
Those endless days, those sacred days you gave me.
Im thinking of the days,
I wont forget a single day, believe me.

Days Ill remember all my life,
Days when you cant see wrong from right.
You took my life,
But then I knew that very soon youd leave me,
But its all right,
Now Im not frightened of this world, believe me.
Days.

Thank you for the days,
Those endless days, those sacred days you gave me.
Im thinking of the days,
I wont forget a single day, believe me.

I bless the light,
I bless the light that shines on you believe me.

And though youre gone,
Youre with me every single day, believe me.
Days.
