Met a girl called Lola and I took her back to my place  
feelin' guilty, feelin' scared, hidden cameras  
everywhere  
stop! hold on. stay in control

Girl, I want, you here with me  
but i'm really not as cool as i'd like to be  
'cause there's a red, under my bed  
and there's a little yellow man in my head  
and there's a true, blue, inside of me  
that keeps stoppin' me, touchin' ya, watchin' ya, lovin'  
ya

Paranoia, need destroyer. Paranoia, they destroy ya'

Well I fell asleep, then I woke feelin' kinda' queer  
Lola looked at me and said ooh you look so weird  
she said man, there's really something wrong with you  
one day you're gonna' self-destruct  
you're up, get down, i'll come work you out  
you get a good thing goin' then you blow yourself out

Silly boy ya' self-destroyer. Silly boy ya' self-destroyer

Silly boy you got so much to live for  
so much to aim for, so much to try for  
you blow it all with, paranoia  
you're so insecure you, self-destroyer

(and it goes like this, here it goes) paranoia, they  
destroy ya  
(here it goes again) paranoia, they destroy ya

dr. dr. help her please i know you'll understand  
there's a time device inside of me i'm a self-destructin'  
man  
there's a red, under my bed  
and there's a little green man in my head  
and said you're not goin' crazy, you're just a bit sad  
'cause there's a man in ya, knawin' ya, tearin' ya, into  
two

Silly boy ya' self-destroyer. paranoia, they destroy ya'

Self-destroyer, wreck your health  
destroy friends, destroy yourself  
the time device of, self-destruction  
lies, confusion, start eruption

(yea, it goes like this, here it goes) paranoia, they  
destroy ya  
(here's to paranoia) paranoia, they destroy ya  
(hey hey, here it goes) paranoia, they destroy ya  
(and it goes like this)

paranoia, they destroy ya  
(and it goes like this)
