Oh, Tom is young and tom is bold
Tom is as Bold as a night of old
But whenever he gets in a bit of a jam
Theres nothing we wont do to get a harry rag

Harry rag, harry rag
Do anything just to get a harry rag
And he curses himself for the life hes lead
Then he rolls himself a harry rag and puts himself to bed.

Oh, toms old mum is a dying lass
Soon they recon shell be pushing up the grass
And he bones might break and her skin might sag
But shes still got enough strength to have a harry rag

Harry rag, harry rag
Do anything just to get a harry rag
And she curses himself for the life hes lead
Then she rolls herself a harry rag and puts herself to bed.

Oh, bless your taxman bless his soul
He may take some, but will never take it all
If I give it all, I wont feel sad
As long as I have enough to buy a harry rag

Harry rag, harry rag
Do anything just to get a harry rag
And I curse myself for the life Ive lead
Then I roll myself a harry rag and puts myself to bed.

Oh, the smart young ladies of the land
Country lasses without a harry in their hand
Then they light one up and boast and brag
So content they got a harry rag

Harry rag, harry rag
Do anything just to get a harry rag
Then they light one up and boast and brag
So content they got a harry rag

Hey, harry rag, harry rag,
Ill do anything just to get a harry rag
And I curse myself for the life Ive lead
Then I roll myself a harry rag and puts myself to bed
