I got a letter this morning with serious news that's gone
and ruined my day,
The borough surveyor's used compulsory purchase to
acquire my domaine,
They're gonna pull up the floors, they're gonna knock
down the walls,
They're gonna dig up the drains.

Here come the people in grey they're gonna take me
away to Lord knows where,
But I'm so unprepared I got no time to pack and I got
nothing to wear,
Here come the people in grey,
To take me away.

Me and my baby's gonna get on a train that's gonna
take us away,
I'm gonna live in a tent, we're gonna pay no more rent
we're gonna pay no more rates,
We're gonna live in a field, we're gonna buy me gun, to
keep the policemen away.

I'm gonna pass me a brand new resolution,
I'm gonna fight me a one man revolution, someday,
Gonna beat those people in grey,
But here come the people in grey,
To take me away.

The people in grey have gone and taken away my right
to voice my complaint,
Her Majesty's Government have sent me a form I must
complete it today.
But it's making me blue, don't wanna tell all my secrets
to
The people in grey.

I'm gonna pass me a brand new resolution,
I'm gonna fight me a one man revolution, someday,
Gonna start my rebellion today.
But here come the people in grey,
To take me away.

Oh, Lord, those people in grey,
I gotta get back at those people in grey,
Here come the people in grey,
To take me away.
