Waiting for the hurricane to hit New York City

Somebody said it's hit the bay
this is the nitty gritty.
And all the bag ladies better put their acts together

We're near the eye of the storm
this is really heavy weather.

We were lost and found

In the nick of time while the ship was going down.
We were lost and found

Just in time with the hurricane crossing the coast line.
We were lost and found
just in time.

The thing is bigger than the both of us

it's gonna put us in our place.
We were lost and found
just in time

now we've got no time to waste.

They're putting up the barricades

Because the hurricane is heading up this way.
So won't you come in from the cold and the pouring
rain?
And the old sea do@ says: shiver me timbers.
The sky's gone black and it's like the dead of winter.
We were lost and found in the pouring rain

When the hurricane swept across the coast line.

This thing is bigger than the both of us

It's gonna put us in our place.
We're gonna say what really matters

When you see that storm stare us in the face.

We were lost and found

And we beat the fear
we came through the storm.
Now it all seems clear
we were lost and found

Standing here
looking at the new frontier.
Lost and found
just in time

With the hurricane crossing the coast line.
