### "No Return"

If, if I could see  
Just how lonely my life would be  
If you passed me by and said farewell  
And there is no return

Stars would shine no more  
I would walk up and down this lonely room  
I would have friends, but be alone  
For there is no return

For you were my first love  
And now it looks like you've gone  
And I have waited too long

For if, if I could see  
Just how lonely my life would be  
If you passed me by and said farewell  
And there is no return  
There is no return
