(hello, whos that speaking, please?)

Im on a party line,
Wonderin all the time,
Whos on the other end?
Is she big, is she small?
Is she a she at all?
Whos on my party line?

Wish I had a more direct connection.
This party line was here when I arrived.
And Im not voting in the next election,
If they dont do something about finding out
The person who is on my party line.

Im on a party line.
Im on a party line.

I cant speak without an interception.
This is private, please get off my line.
Please tell me when I can have my privacy.
Id like to meet the girl whos always talking
When Im speaking on my party line.

Wish I had a more direct connection.
This party line was here when I arrived.
And Im not voting in the next election,
If they dont do something about finding out
The person who is on my party line.

Im on a party line,
Wonderin all the time,
Whos on the other end?
Is she big, is she small?
Is she a she at all?
Whos on my party line?
Whos on my party line?
Whos on my party line?
