Running to and fro, hard working at the mill,
Never failed at the mill, there come a rotten bill.
Too much monkey business, too much monkey
business,
Too much monkey business for me to be involved with
you.

Salesman talkin' to me tryin' to run me up a creek,
Says you can buy it, go on try it, you can pay me next
week.
Too much monkey business, too much monkey
business,
Too much monkey business for me to be involved with
you.

Blonde hair, good-looking, trying to get into get me
married
Get a home, settle down by the book.
Too much monkey business, too much monkey
business
Too much monkey business for me to be involved with
you.

Same thing every day, getting up, going to school,
No need for me complaining, my objection's overruled.
Too much monkey business, too much monkey
business,
Too much monkey business for me to be involved with
you.
Oh!

Pay-phone, something's wrong, dime gone, will mail,
Oughta sue the operator for telling me a tale.
Too much monkey business, too much monkey
business,
Too much monkey business for me to be involved with
you.

Been to Yokohama, baby, fighting in the war,
Army bunk, army chow, army clothes, army car.
Too much monkey business, too much monkey
business,

Too much monkey business for me to be involved with
you.

Working in the filling station, too many checks,
Wipe the windows, check the oil, check the tires, dollar
gas?

Too much monkey business, too much monkey
business

Too much monkey business for me to be involved with
you
