Your fear it moves me.
Your weakness I taste.
I breathe you, I hate you.
You course through my veins.

And now.
And now.

You want me. You love me.
And I hate myself.
I need you, but I hate you.
'Cause I want nothing else.

And I bleed you since I've healed you.
Your pain escapes through me.
'Cause I breathe you, but I hate you.
'Cause they say we could never be.
They can't see.

I know I shouldn't love you.
There's just too much to fake.
But you see me, and I feel you.
And I am not afraid.
I'm not afraid.

And I bleed you since I've healed you.
Your pain escapes through me.
'Cause I breathe you, but I hate you.
'Cause they say we could never be.

It seems the pain's been traded,
Since I pulled you through.
And now my mind's been so jaded.
And I would kill myself for you.
I'd die for you.

And I bleed you since I've healed you.
Your pain escapes through me.
'Cause I breathe you, but I hate you.
'Cause they say we could never.

And I bleed you since I've healed you.

But I hate you, but I breathe you.

And I see you.

And I feel you.

And I hate you.

But I'd die for you.

I'd die for you.
