Can I help it if I think you're evil?
Can you stop it if you really are?
Can you stop me if I think you're perfect?
The echo of an argument dies in the car

Oh shut up and drive

It's all my fault
Don't go blaming no one else
Least of all your perfect self
Why? Because I'm not invincible

All my fault
But don't you dare agree
Don't go writin' to the tabloids
Or your homeboys
Least of all to me

It's all my fault but I'm not sorry
Just a freaky little twist to my freakin' little story
It's all my fault that I had you worried
I'm not sorry I'm not sorry

It's all my fault that I make you nervous
I do it so damn well
You'd think I do it on purpose
It's all my fault but I'm not worried
It's not my fault I'm not invincible

We're sitting in the silence like an easy chair
Sitting in the comfort of the red light's glow
You're laughin' to my back
I'm laughin' in your face
Laughin' like a fool and that's fo' sho'

Ah shut up and fly

It's all my fault
Don't go blaming no one else
Least of all your perfect self
Why? 'Cause I'm not invincible

All my fault but don't you dare agree
Don't go writing to the "weekend" or your
girlfriends
And least of all to me

It's all my fault but I'm not sorry
It's just a freakin' little twist to my freakin' little story
It's all my fault that I had you worried
I'm not sorry I'm not sorry

It's all my fault that I make you nervous
I do it so damn well
You'd think I do it on purpose
It's all my fault that I had you worried
Not my fault I'm not invincible

Because I laugh sometimes
And sometimes I cry
Sometimes I sleep
Sometimes I die
I die for you

It's all my fault but I'm not sorry
It's just a freaky little twist to my freaky little story
It's all my fault that I had you worried
I'm not sorry I'm not sorry

It's all my fault but I'm not crazy
Yeah I take you over slowly with my tricky little army
It's all my fault that I make things scary
It's not my fault I'm not invincible

It's all my fault but I'm not sorry
