Why do they leave me all by myself?
Why do they use me and bring me down?
Why do they hurt me?
Why do they leave me?
Why doesn't anybody stick around?

Why doesn't anyone atay here?
Why do they leave me?
Don't they realize I'm a porcelain doll!
Small, unsure, beautiful
Breakable.

If I sit here, waiting to be wanted
Something good will pass me by
Many people look through the windows
But seldom do they ever look in my eyes

Why doesn't anyone stay here
Why do they leave me?
Don't they realize I'm a porcelain doll?
Fragile, helpless, unwanted
Breakable

They can tell I am sweet.
They can I'm like a porcelain doll.
Beautiful and demure.
But they will lie to me.

Why am I not numb to this?
Why can't they let it all outside my mind
Don't let me sit here collectin dust
But please be careful, please be kind

Why doesn't any one stay here?
Why do they leave me?
Don't they realize I'm a porcelain doll?
Lost, alone, unsure
Kind, demure, small
Fragile, helpless
Breakable
Breakable
